## GK in Africa again

Mar 23, 2016

**After a few years of absence on African market, GK starts a new project in Morocco.**

GK Archive

Geofizyka Kraków has registered its new branch in Morocco in February. In March the Cracow company proceeded to the execution of a contract for seismic surveys for national company ONHYM.

It has already been the seventh branch of the company outside the country. The previous are in Slovakia, the Czech Republic, Pakistan, Libya, Georgia and Oman.
